Goodnight Mister Tom

Level 5.1 MY • Fiction • Quiz 200239 EN • Points 13
A young boy with a disturbed mother is sent to the English countryside during World War II to avoid the horrors of war.

Expectations: Depending on the size of your book, you might be completing a quiz every day. If your book is thicker, you might only be completing one quiz every 7-10 days. However, anything taking longer than 10 days suggests that you are not reading for a minimum of 30 minutes a day. Your teacher will be able to check how many quizzes you are accessing each week and how many words you have read. Keep recording every time you read in your Reading Record.

Remember: The more quizzes you complete and pass, more words will be added on to your word count. We have lots of prizes to award you with once you reach different Accelerated Reader milestones.

Books: If you finish your school book, you can read books from home. You can logon and check a quiz is available for a book you have. There are thousands of quizzes for a range of genres and authors.
