

3 September 2020

Dear Parents and Carers,

Akroydon Primary Academy will be taking part in this year's Jeans for Genes Day on Friday 18 September.

1 in 25 children have a genetic disorder that makes their life very difficult. That is one in every class. Simply by wearing our jeans and donating, we will change the lives of these children.

All children and staff are invited to wear their jeans on 18.9.20. We would like everyone to take part so please send your child into school on the day wearing their jeans and with a £1 donation. Please note, your child should wear the rest of their school uniform with their jeans: this includes their shirt, tie, jumper or cardigan and school shoes.

Jeans for Genes Day have a series of powerful films to explain how your child's donation will make a difference. Each film provides a compelling and personal insight, introducing some amazing children living with genetic disorders, sharing first-hand what life is like with their condition. Please visit jeansforgenes.org/schools for more information and to view these films.

If you'd like to find out more about how our support will help, please visit their website at jeansforgenes.org.

Thank you,

Mrs J Lewis
Assistant Principal

Akroydon Primary Academy, Rawson Street North, Halifax, HX3 6PU
