

## Parent information

### Logging in

1. Type ttrackstars.com into your browser's address bar.
2. Log in.

Your child's log in details have been stuck in their planners.

The screenshot shows the login page of the ttrackstars.com website. The navigation bar at the top includes links for Home, Register, Login (highlighted in pink), Benefits, Getting Started, Events, About, and Contact Us. The main heading is "Sign in" in pink, with a decorative flourish below it. The login form is a light purple box containing the following fields and options:

- Your school or organisation:** A dropdown menu with the placeholder text "Pick your school or organisation". A pink callout box points to this field with the text "School goes here".
- Username Or Email:** A text input field. A pink callout box points to this field with the text "Username goes here".
- Password:** A text input field. A pink callout box points to this field with the text "Password goes here".
- [Show Password]
- Forgotten your password? [Set yourself a new one.](#)
- Sign In** button

At the bottom of the page, there is a footer with a decorative graphic on the left and right, and the text "Designed by Allrollover." in the center.

### 3. Play!

There are 4 different game modes, which you can find out about on the back of this sheet.

## Game modes

### Single Player

#### **Garage**

*Suitable for all year groups.*

The questions will only come from the times tables the teacher has set for the week. As pupils start to answer questions, TT Rock Stars works out which facts they take longer on and will give them more of these questions to answer. The Garage is best for getting quicker at a few facts. Players get 10 coins per question.

#### **Studio**

*Suitable for older children (tests **all** times tables facts)*

The questions in the Studio can be anything from 2x2 up to 12x12.

TT Rock Stars calculates each the mean speed from their last 10 games in the Studio and translates into a Rock Status:

Under 1 second per question to become a Rock God

Under 2 seconds per question to become a Rock Legend

Under 3 seconds per question to become a Rock Star

Over 3 seconds is a Busker

They earn 1 coin per question and the Studio is the place for them to set their best time across all the tables.

### Multiplayer

#### **Rock Arena**

*Suitable for all year groups.*

The Arena allows players to compete against all other members of their Band (their Bandmates would need to join the same game in order to compete together).

A new Arena game starts every 15 seconds and once the clock starts they race to answer more questions than the others. In the Arena, questions will only come from the times tables the teacher has set for the week, similar to the Garage. They earn 1 coin per correct answer.

#### **Rock Festival**

*Suitable for older children (tests **all** times tables facts)*

The Rock Festival games are open to players from around the world. Like the Arena, there is no limit to the number of players who can join a game; however, unlike the Arena, questions are selected at random from 2x2 to 12x12.

Pupils might choose the Rock Festival if they were playing at home (and therefore couldn't easily synchronise playing against a classmate) or wanted to compete against others not in their Band. They earn 1 coin per correct answer.

## Timestables learned in each year group.

The aim is that all children need to know **all** of their times table facts by the end of Year 4 and can recall them quickly and accurately.

They will learn them in the following order:

**Year 2** – 2s, 5s, 10s (and introduced to 3s)

**Year 3** – 3s, 4s, 8s, 6s, 7s, 9s

**Year 4** – 11s and 12s

**Years 5 and 6** – practise all times tables

## My Stats

If you click on Me>My Stats, a heatmap like the one below will load. It shows how successful your child is at each of the facts.

### *Stats*

The colours relate to how quickly the colour the slower they are.

can answer each of the facts from 1×1 to 12×12. The greener the colour the quicker they are and the redder

	1	2	3	4	5	6	7	8	9	10	11	12
1	1×1	1×2	1×3	1×4	1×5	1×6	1×7	1×8	1×9	1×10	1×11	1×12
