Safer internet day

Tuesday 8 February was Safer Internet Day which is celebrated across the globe in over 170 countries, with thousands of children joining in across the UK. This years theme was '*All fun and games? Exploring respect and relationships online.*' We celebrated with special assemblies where we discussed all the great things about being online but reminded ourselves how we can stay safe when using the internet.

Year 6 have been looking at real life examples of times when they may need to be extra vigilant online. They explored scenarios and gave each other advice on how to react to some of these.

You will only need to have an appointment on one of these days. If you would prefer a telephone appointment, please book your time slot on the app and also inform the office of your preference.
