Trinity Earthshot

On Monday 28 February, our first Trinity Earthshot ambassadors silenced a room of more than 700 Trinity MAT staff with their powerful keynote presentation on nature at the INSET day event at Elland Road Stadium. We are so proud of our pupils and were an asset to our academy—check out this amazing feedback from some of the attendees!

Mrs Stubleby— “They were absolutely fabulous and an absolute joy to spend time with. So proud!”

Trinity Academy St Peters— “All the staff at TASP would like to say a huge well done on your amazing presentation . We all agree how fantastic you all were! It was a pleasure to watch . You should all be so proud of yourselves for all the hard work you have put into this and speaking so confidently and clearly to such a vast amount of people.”

Trinity Academy Cathedral, Drama Department “Absolutely stunning performance. The young people had so much confidence and spoke with passion and energy.”

Trinity Academy St Edwards, Principal “They were a credit to your school and their families. That took real courage and they all spoke with passion and really inspired us all.”
