Comic Relief - Red Nose Day

Today we enjoyed a non-uniform day in aid of Comic Relief. This years theme was '*Everybody is a hero*' so we decided to show that we all have the power to save lives! Many of our pupils came dressed as nurses, doctors, police, teachers and other key workers and community heroes. We have raised over £250 and had lots of fun. Thank you to everyone who contributed.

International day of Maths

On Monday, we celebrated International Day of Maths! Our focus this year was building a positive mindset towards Maths by never giving up. We looked at the power of the word 'yet' with our motto for this year being 'I can't do it, YET!'. We also looked at some famous mathematicians who changed the world by not giving up - ask your child who they looked at!

British Science Week

This week we celebrated British Science Week! On Tuesday we had a visit from science teachers from Trinity Academy Halifax who conducted some experiments in our assembly.

Our science competition was also launched - we are asking pupils to do science activities at home and send in their photos. We can't wait to see them!
