Earthshot eco-committee

Last week, we planted an oak tree to acknowledge Earth Day and launch the Trinity MAT Earthshot. This week, pupils from across the academy have had the chance to apply to join our Eco-Committee and lead even more environmental action at TAA. Children have worked in classes this week on how to complete an application form and consider the skills and qualities they could bring to the role. Interviews will be held in the coming weeks and we are looking forward to seeing the impact they will have moving forwards.

Holly class attendance

Well done to Holly class who again achieved 100% attendance this week. As a result they enjoyed extra playtime and biscuits!

Year 6 practice SATs

We are very proud of Year 6 after their performance this week. They have demonstrated a mature attitude to their learning and we are sure they will make a fantastic job of their SATs which begin on Monday 9 May.

Friends of Akroydon

Do you have the capacity to support Akroydon to organise events and fundraising opportunities to further develop the academy site? The Pupil Council are looking for a team of parents and carers who would be able to volunteer some of their time to organising and running events for pupils and their families. Please [email the school office](#) for more information. Thank you to everyone who has expressed interest in joining this team so far.
