Y5 Yorkshire Sculpture Park trip

On Thursday, Year 5 had a great day out at the Yorkshire Sculpture Park. We got to work with an artist who took us around the park. She encouraged us to look at the sculptures in different ways and inspired us to create sketches and mini sculptures to learn about perspective. We even used meditation techniques to recall and picture the different sculptures.

Y5 Science Fair

Last week, Year 5 enjoyed a morning at Trinity Sixth Form's Science Fair. Children experienced working in a science lab and carried out an experiment to investigate how different colours mix together in pen ink. We then learnt about some equipment used in the medical industry and tested out using some of the equipment.
