Kaleidoscope

Certain pupils across the academy have been selected to take part in Kaleidoscope sessions, to help support their emotional wellbeing. Kaleidoscope is a highly effective, experiential programme suitable for all children. Specially chosen coloured light, aroma, and sound are used to aid the reduction of stress hormones in the brain. There are many benefits of Kaleidoscope, including, helping to break down barriers to learning, developing self-esteem and improving attendance.

Calderdale SmartMove

SmartMove are a local charity helping the homeless and vulnerably housed in the area to find accommodation, learn new skills and integrate back into the community. They rely on donations from schools, businesses and residents, which they use for starter packs. They desperately need these items and assure us that every item donated goes directly to one of their vulnerable clients. SmartMove will be coming into the academy in the near future to give a presentation to our pupils.

If you wish to donate any items these can be brought into school. In particular SmartMove are after the following items:

Pasta and Rice, Pot noodles, Tea bags and coffee, Tinned meat/fish, Tinned puddings, Long life milk, Cup a soups and Cereals.

Contact information

It is vital that we have your contact details up to date. You can check and update these on your MyChildAtSchool account or speak to the school office.

School dinners

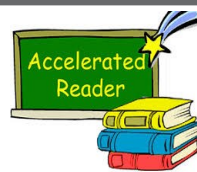

If your child pays for school dinners please ensure these are paid for in advance on your MCAS account. If you have any problems, please speak to the office staff.
