

Fire Evacuation procedures

Date of version: Sept 2022

Evacuation

All staff are responsible for a safe transit from their location to the fire evacuation points, it is essential we work as a team ensuring both children and staff move calmly and quickly out of the building. To aid this there is a detailed procedural document below, which outlines individual staff responsibilities as well as routes of transit for both children and staff. If during the alarm you are at all disorientated or need guidance then please ask; there will be high visible presence from SLG throughout the process as well as Fire Marshalls whose job it is to ensure you move safely from the building.

Immediately on the sound of the fire alarm leave the room and proceed to the assembly points, KS1 to the KS1 playground and KS2 to the KS2 playground. Windows and doors should be closed but not locked, and bags should be left behind. Staff should escort children and ensure they proceed calmly to the assembly point. Children should be advised of the correct route highlighting the location of the closest fire exit and route to the assembly point. If there is a fire or obstruction to the designated exit route, we advise staff to use common sense and use the nearest and most suitable exit in this instance.

If in unforeseen circumstances any of the fire doors are not accessible, please use the safest and nearest other available fire exit.

This person is also responsible to make the decision (when safe to do so) to proceed back into the building. In this situation, either **JBY/EBY/ CGP will deputise (whoever is not teaching the class)**.

In the absence of **OGS – JBY/ EBY/CGP (Assistant Principals)** will collate all the required information, providing cover and full responsibility in the absence of **OGS**. If **JBY/ EBY/CGP** are teaching, **MCW** will collate all required information.

Lining up for registration

All class groups need to assemble at their designated (fire assembly point) in the playground area.

Teachers should ensure that children are silent and lined up in alphabetical order until the decision to return to the building is announced. Any classroom assistants without any evacuation responsibility are to help teachers supervise the children throughout the procedure.

Registers, red and green cards are stored in each classroom by the entrance door. Daily fire registers will be distributed to each class by 9:30 each morning. Teaching staff must ensure that the registers are kept up to date and children who arrive late or leave early are recorded accurately on the Fire register. Fire Registers alongside red and green cards must remain with the class at all times.

When all children have been accounted for from the register provided, the green card will be held aloft. If any children are missing, please raise the red card to alert a member of staff who will come to assist.

Fire alarm at the end of the academy day

If the fire alarm sounds at 3.05pm, then there will be evacuation only and no registration for KS1. In this instance, evacuation will be of children to the assembly point playgrounds. Named persons need to sweep the building as they would at any other time of the day to ensure staff and students taking part in meetings or extra-curricular activities are out of the building. If the fire alarm sounds later than 3.20pm then all staff taking part in an extra-curricular activity should ensure they leave calmly with the group of children they have in their care, taking registers and completing a head count.

Key Stage Leaders and named persons (fire and evacuation) are directly responsible for ensuring that they do not contribute to overcrowding at any one door.
