Earthshot committee

On Thursday, Miss Barnes and Mr Grant-Roberts took the children of the eco-committee to the first Earthshot conference at Trinity Academy Halifax.

At the conference, they were joined by all the other committee members from ten academies from across the Trust. They were treated to performances and workshops which inspired them to make a positive change for our planet!

Year 5 Art

This week, Years 1 and 5 had a visit from Jeffery Andrews. Jeffery is a practising artist, producing exhibitions of sculpture, photography, site-specific installations and public art works, in various galleries and community spaces. Year 5 learnt all about Jeffery's work and he modelled how his creative process worked. Children then created their own collages of landscapes.

Smartmove

Thank you for all the very kind donations we have received so far for the Calderdale Smartmove charity collection.

We are still taking donations and these can be left with the school office.

The Trinity Akroydon Book Build

Last year, we made a pledge that all pupils joining the academy in September 2022 would receive a copy of the class book each term throughout their first three years with us.

Today, our Reception pupils are taking home a copy of 'A Squash & a Squeeze' by Julia Donaldson to start their collection. Here they are enjoying their new books in the story circle of our new EYFS outdoor area.

Ties & PE kits

Please remember that pupils must wear a school tie with their uniform every day.

Also, children must ensure they bring their PE kit on the correct day. Please check with their teacher if you are unsure of the day.
