## World of Work day

This week, Year 5 had a 'World of Work' day. We got to meet lots of interesting people and learn all about their choice of career. We learnt about what qualifications and skills are needed for different types of jobs. We also learnt why and how the people chose their career path.

Ask us what we'd like to be when we're older and how we plan to achieve this!

## Art exhibitions

This term, we created an art exhibition to display our artwork from across the school. This included artwork produced after visits from artists such as Roger Moore and Jeffrey Andrews who worked with us on the beauty of local landmarks and why we're proud of our local heritage. We are extremely proud of our masterpieces and hope that you are too!
