Anti-bullying ambassadors

Congratulations to our Anti-bullying Ambassadors who have earned their Wellbeing badge; the first of four awarded by The Diana Award charity. We are so pleased that their hard work in creating initiatives such as the Kindness Tree, encouraging positive pupil wellbeing and spreading kindness around school via the Anti-Bullying Pledge plus their dedication to strengthen peer support networks through Lunchtime Buddies, has been recognised by this prestigious charity.

Science book club

After 6 weeks of careful reading and vigorous debate, our avid Science Book of the Year Judging Panel have submitted their winning book choice to the Royal Society. The children have loved every minute of their time on the panel, learnt some interesting facts along the way and have been inspired by famous people's life stories. Here's their recount of the journey towards their final decision. The winning book is **Microbe Wars** by **Gill Arbuthnott**.

She will be missed but we know that she has an amazing future ahead of her!
