Y4 Murton Park

Last Friday, Year 4 visited Murton Park in York. The children learned about life as a new recruit to the Roman Army under the leadership of the duty Centurion. The children learnt the essential military skills of marching and basic drill.

The recruits made their own oil lamps, learnt about Roman writing, found their way around a Roman fort, and learnt about Roman religion. They discovered how the soldiers worked together on the battlefield to make the Roman army one of the most feared fighting units in history!

BBC Winterwatch

This week we took part in the BBC's Big School Winterwatch live lesson, along with thousands of other schools around the country. We learnt about bird beak adaptations, food chains and food webs, and found out more about the Big Schools' Birdwatch and how it helps bird experts to monitor UK bird populations.

Holly Lynch visit

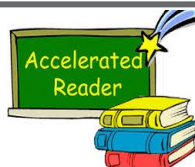

In Term 2, our Year 6 pupils wrote to Holly Lynch MP expressing their views on the subject of fracking in Calderdale. Today, Holly Lynch MP visited to discuss our pupils' concerns and provide an insight into her role as the MP for Halifax. The Year 6's asked some insightful and challenging questions and now have a better understanding of British democracy and how it works.
