10-19 March  
**British  
Science  
Week  
2023**

This week, we have been celebrating **British Science Week**. Pupils have been participating in live

lessons exploring the theme of **connections**. They have learnt how tractors are connected to space, pigs are connected to jumbo jets and how sheep are connected to sea-weed! In assembly, pupils learnt how to identify some of our northern hemisphere star constellations and questioned how these connect us to our past.

## Scholastic Book Fair

Thank you to everyone who bought books from our book fair last week. We raised over £130 for the school to purchase some new books!
