Aerospace Engineers

On Tuesday, pupils in our Year 5 classes will be working with engineers from the Royal Aeronautical Society to design aircraft for the future. They will be challenged to make careers in aviation more accessible and inclusive, with winning teams earning prizes for their school. Watch this space...! 

Butterflies

At the end of Term 4, our chicks left for pastures new. This week, we had some new arrivals in the form of caterpillars for Reception class. Our pupils have an opportunity to watch the caterpillars metamorphosize into chrysalides and then emerge as Painted Lady Butterflies over the coming weeks.
