Holly Learning Showcase

On Thursday, Holly invited parents and carers into school to watch their Learning Showcase. Holly presented their learning through performing songs, gymnastic routines and reading out examples of their written work. They told the grown-ups all about the wide range of topics they had studied, from photosynthesis to the Ancient Egyptians.

Holly worked extremely hard to put the showcase together and we were very proud of their performance. Thank you to everyone who was able to come and watch.

Kudos

As part of our work for Mental Health Awareness Week, some Year 5 pupils have been working with OtherWise Education to face challenges and overcome them as a team. In one session, pupils used the

text 'Can I Build Another Me' to identify what they are good at and things they are working on

The Jungle Book pantomime

On Tuesday, our pupils had a great afternoon watching M&M Theatrical Productions, who brought Mowgli, Baloo and Shere Khan to life at Trinity Academy Akroydon. It has inspired some pupils to take part in drama activities and to do some creative writing linked to The Jungle Book.

The Iliad Project

This week, Year 6 have been lucky to work with Jonny Walker, a specialist teacher, poet and mythology expert, to learn the amazing story of The Iliad. They have acted out the conflicts between the Greek Gods, the Trojans and the Greeks. Year 6 have thrown themselves into the project and can be proud of how well they understood the complex plot of this ancient story.

After school, Jonny Walker has been running poetry workshops with pupils from Years 3 to 5. Each group took inspiration from Michael Rosen's poem - The Rhythm of Life. They then used all of their senses to explore the forest school and create outstanding poetry.
