I can't believe I'm reflecting on the end of another academic year already! This, more so than any other year, feels like it has been a particularly transformational 12-months for the development of the academy and I am filled with pride at what we have achieved together, as a united community.

We launched our updated vision in September: **Be remarkable, Be determined, Be proud**. A statement that highlights our uniqueness within the wider Trinity MAT family. This year has seen remarkable opportunities and achievements, determination to be the best we can be for the young people we work with and an overwhelming pride in the fantastic offer our children and their families get when they chose to send their child to Trinity Academy Akroydon; a choice we will never take for granted.

I also acknowledge the crucial role parents and carers have played in the success of this year. Establishing the 'Friends of Akroydon' group to fundraise has never been so important, and I look forward to seeing how this group of dedicated and passionate parents build on the success of things like the Christmas Fayre next academic year (I've heard the word 'Disco' mentioned a few times). More recently, the overwhelming response to the Amazon Wishlists has completely transformed the shelves of both our libraries and your support has, once again, blown us away.

I would not be filled with such satisfaction at the end of the year if it wasn't for the remarkable team we have at Akroydon. The way they nurture your children and encourage them to thrive is inspiring. They work incredibly hard, going above and beyond on a regular basis. I know you will join me in thanking them all and wishing them a relaxing summer.

Two members of that team leave us today, and I would like to thank **Miss Fawthrop** and **Miss Matloob** for their care and dedication this year as they move on to exciting new opportunities.

I wish you a wonderful summer, filled with good times and happy memories. I'll see your children back for a new academic year on Monday 4 September. **Mr Grant-Roberts, Principal**.

## Year 4 learning showcases

Linden and Juniper pupils had a great time showcasing their learning to their parents on Monday and Tuesday. They set up maths challenges, music activities and art practise for parents to have a go. Both afternoons were great fun and Mrs Wray and Miss Matloob were incredibly proud of their pupils.

Thank you to everyone who attended to support the children.

## Sports day

On Monday, our Year 5 athletics team competed against other schools at Trinity Academy Halifax. The pupils were amazing, winning lots of individual events and coming third as a team.

## NHS tea party

On Wednesday, Emma Quinn from the NHS collected the **£244** raised at our NHS 70th birthday tea party. Thanks again for all your support in helping us to raise this fantastic amount.
