## Welcome back!

It has been wonderful to welcome your children back to school this week – we hope you enjoyed the summer break. To those families who have joined our school this week, welcome to the family – we look forward to building close relationships with you and working together to see your children flourish and thrive.

In true 'Trinity Style', we have had some significant improvements made to our building over the summer. Our pupils in Key Stage 2 have renovated toilet facilities (thanks to the strength of last year's pupil council!), we have new gates to both the car park and pedestrian entrances on Rawson Street North, there is now a changing room facility for pupils to use on their PE days and work on our secret project is almost complete. We look forward to seeing you at parental events this term for you to see what we've been working on.

## Reception/ Ash class

Our new reception children have had a fantastic first week in school. They have explored all areas of our provision and have loved being outside in the sunshine. We are all incredibly proud at how well the children have settled into their new school, and we can't wait to see what remarkable things they do.

## New library

Last term, children and staff donated books to our library area. Thank you to everyone who donated - the children are really excited to get reading! We now have Libresoft systems in school to track which books children are enjoying and recommend new books to them. All children should return the book to the library when they have finished, to ensure other pupils can borrow from our exciting new collection.

## Mary Poppins Jr.

We are delighted to announce that our school production this year will be Mary Poppins Jr. Children across KS2 have been expressing an interest in auditioning for the show all week. With the deadline for sign ups today, we will be sending invitations for auditions out shortly.
