Pupil leaders

This week, children across school have been applying for, voting and persuading others to become one of our pupil leaders.

Our **School Council** are determined to make a difference with their suggestions for school improvements, help with events and fundraisers and ensuring that teaching and learning at Akroydon is second to none.

Those energetic **Play Leaders** are already out in force during playtimes getting everyone active, enjoying sports, organising our equipment and also ready to get some class competitions going.

The **Earthshot Eco Committee** were challenged with an interview process in order to show their commitment to a very important cause. Children have been elected as our committee members, energy monitors and recycling heroes. Mrs Gravestock and her team are ready to save the planet with every tree planted, whiteboard turned off and single-use plastic bottle recycled, reused or abolished for good!

Numbers will be crunched, and the curriculum challenged by our **Maths Ambassadors** as they want everyone as excited about maths as they are!

Trinity Academy Akroydon's **Anti-Bullying Ambassadors** are ready to earn their Online Safety and Respect Badge this year by completing a series of tasks show off our kind, empathetic and understanding academy.

Supporting this team will be our **Mental Health Champions** as they want to promote mindfulness, happiness, determination and confidence to all. These pupils are going to be an ear to listen and a caring arm to put around those that could be feeling a little blue.

We think that our pupil leaders are going to be very busy this year and cannot wait to see what remarkable things they can achieve.

Thank you

A big thank you to The Works stationery shop at Woolshops Shopping Centre for their kind donation of pencil and eraser sets.

Forest School news

This term, Linden class have been using all their senses to explore the outdoors, playing 'Go Find It!' a game developed by the Sensory Trust. We have learnt about Holly and Silver Birch trees – how to identify them, how long they live for and what they can be used for. Did you know birch bark is waterproof, so it was used to make boats and roof tiles? As well as learning about nature, we have been developing our ropework skills and making friendship bracelets by twisting yarn in pairs.

Mary Poppins Jr. auditions

Good luck to all the children auditioning for parts on Thursday!
