Oliver! The Musical

Children across KS2 enjoyed an afternoon of theatre on Thursday. Leeds Playhouse performed their interpretation of Oliver! This will support the children with their understanding of the text, which some children will be studying next half term. Several members of the public commented on the impeccable behaviour of the children and we are all extremely proud of them.

Year 6 Trinity Maths Games trip

Year 6 had a victorious day on Thursday as they won the White Rose Education Maths Challenge! It was amazing to watch the students from Akroydon work through the problems to catch the thief and use a variety of maths skills to compete against other schools in the physical challenges. From building 3D shapes to penalty shoot outs, the pupils gave it their all. Congratulations to the winning team and all the pupils that took part.

Fair and Funky workshops

On Thursday, Birch and Elm took part in a SCRAPtastic recycling workshop delivered by the wonderful Fair and Funky company. The children learnt all about what they can do to help reduce their carbon footprint and how they can empower others to take little steps to change the world. The children then used recycled materials, cardboard and magazines to create these fantastic hearts.

Young Voices Choir concert

Every year, Akroydon takes part in the Young Voices event. Pupils will get to sing in an arena alongside other schools as well as watch different artists perform. The event takes place at Sheffield Arena on Friday 9 February, starting at 7pm.

Tickets for this incredible experience can be purchased on the MCAS app for just £10. Spaces are very limited and are sold on a first come, first served basis.
