Yew 95.20 %

## Mary Poppins Jr. shows

We are thrilled to announce the supercalifragilisticexpialidocious success of our recent performances of "Mary Poppins Jr."! Our talented students have astounded audiences with three practically perfect shows, showcasing their dedication, passion, and sheer talent. Over the past six months, they have poured their hearts and souls into rehearsals, tirelessly perfecting their performances. We extend our deepest gratitude to all the parents, family members, and supporters at home whose encouragement and support have made this journey possible. Your enthusiasm and belief in our students have truly made a difference. Thank you for your continued support and for showing our children that **anything can happen if you let it!** Miss Gatehouse, Miss Kirkley and Mr Marsden.

## Year 3 & 4 Magna trips

On Thursday and Friday, Years 3 and 4 went to Magna Science Museum. The pupils explored air, water, fire and Earth. They watched 'The Big Melt' and took part in a volcano workshop! They finished the day by playing in the science playground. James said: 'My favourite part was making a fire tornado!' Eva-Marie said: 'My favourite part was the water pavilion, I was making the boats travel.'
