Science Ambassadors

Following the launch of our fabulous new science laboratory, Thursday evening saw our Science Ambassadors making a presentation to our board of Governors. The children talked about the visitors we had to the science lab who provided a variety of workshops. These included a scientist, an audiologist, an optician, a paramedic and a sports science professor.

Thank you to everyone who donated their time to provide these fascinating workshops for our children and well done to our Science Ambassadors for their excellent presentation.

Edurio survey

If you have not already completed the Edurio parent/carer survey, please do so by Friday 26 April to make sure to have your say and share your feedback. Please follow this link: <https://edurio.com/poll/HNvzMJ>

You will also have the option of entering a prize draw to win one of three £50 Amazon vouchers!

Extra-curricular clubs

We still have a few spaces remaining on our Cricket club (KS2 on Tuesdays) and Gymnastics club (Years 5 and 6 on Wednesdays) for Term 5. If your child would like to join, with an opportunity to take part in future tournaments, please enrol them on your MCAS account before Monday morning.

We are also still looking for additional members for our Choir club (KS2 on Mondays). This also gives club members the opportunity to take part in exciting events such as the Young Voices and forthcoming Voices Together concerts. If your child would like to join, please ring the office to organise.

100% Attendance club members

The winner of the Term 4 Golden Ticket award for full attendance was Minnie Shaw in Ash class. Minnie won a family voucher to the Vue cinema.

Well done Minnie!

There will be another prize draw for any pupil with 100% attendance throughout Term 5. The draw will take place in the last week of term.

WELCOME TO CALDERDALE'S YEAR OF CULTURE

April Events

The Year of Culture (CultureDale) is a 12-month celebration of Calderdale turning 50 on 1 April 2024 – a landmark moment in the borough's story – and marks the ultimate year for Vision 2024 for Calderdale.

The programme reflects Calderdale's rich history, amazing landscapes, incredible people, creativity, entrepreneurship, talent and diversity.

Events include a community festival at People's Park in Halifax, a children's and families' creative roadshow, a Youth Music Takeover, community-led performances – even on a canal boat – a creative writing festival, an arts and health festival, a film competition, and lots more to be announced.

The council has received support to fund Year of Culture from West Yorkshire Combined Authority, Arts Council England, National Lottery Heritage Fund and UKSPF.
