## Year 5 Creative writing workshops

Year 5 students had the incredible opportunity to participate in a creative writing workshop organised by Arvon. This special event was designed to ignite their imaginations and enhance their writing skills through engaging activities and expert guidance.

Our young writers were fortunate to work with Liz Flanagan, the talented author of the Wildsmith series. Liz inspired the students with her storytelling techniques and shared insights from her own writing journey.

They also had the chance to meet the dynamic poet Matt Abbott, who brought the excitement of poetry to life through the art of rap. This interactive session demonstrated that poetry is not only about traditional verses but can also be a vibrant and energetic form of expression.

The workshop was a wonderful experience for our Year 5 students, sparking their interest in creative writing and poetry.
