Yew 89.60 %

## An award for Lucas

Lucas from Willow class received an award from the Percival Whitley Educational Trust in recognition of his unwavering determination and resilience. This honour highlights his remarkable ability to overcome obstacles and achieve significant milestones.

Trustees from Percival Whitley attended a special party at Akroydon last Friday afternoon which Lucas enjoyed along with his family and teaching staff. He was later presented with his award in our celebration assembly.

Lucas received a framed certificate and a gift voucher for himself in addition to a cheque for the academy. We couldn't be prouder of his achievements.

**Well done, Lucas!**

## Cricket tournament

On Tuesday afternoon, Trinity Academy Akroydon hosted the TMAT Primary Cricket Tournament. Mixed teams from Akroydon, St Chad's, St Peter's and Whitehill played some fantastic cricket, showed great sportsmanship and skills as they played the round robin tournament.

Huge congratulations to Whitehill Primary Academy on their well deserved win!

## Birch phonics screening

This week, Birch class have worked extremely hard to be ready for their phonics screening check. They have prepared for this all year by taking part in lots of phonics lessons and exciting phonics games. Every pupil in Birch has worked hard all year and this week specifically. They should all be very proud of themselves for what they have achieved.

## Year 4 multiplication screening checks

Congratulations to our Year 4 pupils on completing their multiplication screening checks. This is a significant milestone and we couldn't be prouder of their dedication and hard work. Throughout the year, the children have shown perseverance and commitment in mastering their multiplication tables. From early morning practice sessions to interactive classroom activities, their enthusiasm has been truly inspiring. Each child has put in an incredible effort to reach this achievement and it is wonderful to see their hard work pay off. As we celebrate this achievement, we encourage our children to keep practicing their multiplication tables regularly. Continuous practice will help reinforce their skills and build their confidence even further.

1. Tobias A – Linden
2. Alexa B—Oak
3. Colby G – Maple

1. Nina T—Juniper
2. Ashleigh G—Juniper
3. Neo B – Maple
